To Whom It May Concern,

I am pleased to have this opportunity to write this letter of reference for Les Voros. I first met Les about ten years ago when he was in the market for a new home. I found Les to be courteous, professional and a pleasure to work with and thus our relationship continued beyond the sale and purchase of the home.

For the past 6 years he has been involved with our RRSP planning and currently Les is developing a retirement plan for me and several members of my family. Les is willing to take the time to explain the details of my plan and look at all aspects of planning. He works with a team of experts and will call upon them as required to ensure the right plan is put in place for me.

As I add more to my portfolio and as my needs grow or change, I know that Les will be available to help in my decision making.

I highly recommend Les to anyone who is serious about developing a financial plan. Les will look after you.

Yours truly,

Gurdial S. (Dale) Badh
