Miyako Mori,

Les is a very customer service oriented person. He took the time to get to know me and understand my financial needs. Though my investments aren't huge, he still treated me like a million dollar client. He worked hard to help me with life insurance needs as well. While I was away travelling out of the country for well over a year, I felt confident with Les taking care of my investments. I highly recommend Les as a financial planner as I know he will take care of your needs regardless of what you have to invest.

Sincerely,

Miyako Mori
